

SMOOTH ZERO TREATMENT

Step by Step Instructions

1. SHAMPOO:

Gently cleanse the hair with Keratin Republic Clarifying Shampoo. Work shampoo into a lather from roots to ends of the hair, being sure not to massage or scratch the scalp. Rinse well, then towel dry and detangle with wide tooth comb.

2. BLOW DRY:

Blow dry the hair until 75% dry.

3. DIVIDE:

Section the hair into 3-4 large parts.

4. MEASURE TREATMENT:

Determine estimated amount of **KERATIN REPUBLIC SMOOTH**

ZERO treatment needed based on length/density of hair:

- Short hair ½ to 3/4 oz
- Medium hair 1 to 1-1/2 oz
- Long hair 1 to 2 oz

5. APPLICATION:

Wearing gloves and using an applicator brush, take 1/4" to 1/2" sections and begin each section by dabbing the treatment 1/4" from the scalp, then repeating every 1" to 1 1/2" until you reach the ends.

Massage the treatment into each section, then comb through with a fine tooth comb away from the face to remove excess. Do not oversaturate the hair and do not apply to the scalp or skin.

6. PROCESS:

Process treatment for 30-45 minutes with no heat or cap.

NOTE: For resistant, coarse or unruly hair types, process 45 minutes.

7. RINSE:

After desired processing time is complete, rinse the hair with water for 10 to 20 seconds to remove excess treatment. A small amount of the treatment must be left in the hair for best results.

Do not shampoo the hair.

8. BLOWOUT:

On medium heat, blow dry the hair straight and smooth with a paddle or thermal brush, using tension until 100% dry.

9. FLAT IRONING:

Start at nape of neck and take 1/4" to 1/2" sections of hair and iron each section thoroughly from roots to ends until smooth and shiny. Adjust iron temperature between 400°F–450°F Adjust temperature depending on the health and/or resistance of the hair. A test strand is recommended.

Always iron away from the face. Continue this process until all the hair is thoroughly ironed.

NOTE: Client can shampoo immediately, no down time!

Hair Type	Iron Setting
Coarse or resistant texture, virgin	430 - 450 F
or extra curly	221 - 230 C
